The PCDS is delighted to invite and then welcome you in September to the new Titanic Hotel, on the waterfront, in Liverpool.

For our 2015 autumn meeting we offer a stimulating and informative mixture of topics and approaches both to the diseases and to the provision of dermatology services themselves.

We anticipate this will stimulate lively discussion and further encourage the opportunity that such meetings provide for professional networking in a relaxed setting, away from the daily routine.

We are grateful, as always, to our colleagues who give up their time and energy to share with us their knowledge and experience from the differing dermatological (and sexual health!) departments and practices.

This meeting will be appropriate for GPs, GPSIs, Dermatologists in training, SAS doctors and Nurse Practitioners. We are delighted if Podiatrists and perhaps some pharmacists might also find the day educational.

Please pass on this invitation to colleagues who might otherwise miss this opportunity.
