

Royal College of
General Practitioners
SOUTH EAST THAMES FACULTY

The Royal College of General Practitioners South East Thames Faculty in association with the Primary Care Dermatology Society (PCDS)

Essential Dermatology 1

Wednesday, 27 March 2019

The Marriott Hotel, 1, The Broadway, Bexleyheath, DA6 7JZ

- Up to 25% of all GP consultations relate to the skin
- Dermatology is an area of medicine that is facing major changes from secondary to primary care
- The majority of GPs have little or no training in dermatology
- Hospital referral rates for dermatology are consistently high

The programme covers essential information to enable GPs and dermatology nurse practitioners to assess confidently the vast majority of conditions encountered in day to day general practice.

Programme
